

TLIG – EVANGELIZATION TOOLS:

May 2024

**“...leave My elect and My predilected souls free to
prepare the Way for Me your King;
let them complete their witnessing;”**

TLIG, October 10, 1990

Witnessing tools to be implemented in everyday life:

PRAYER as foundation: All work for TLIG precedes prayer for guidance, inspiration, so Jesus can lead us and guide us wherever He wishes us to go, to speak and spread His Messages...

2.1. Spontaneous Person to person witnessing.

At various occasions in daily life as we meet people and occasions arise.

Handing out TLIG-leaflets at supermarket, petrol station, gym, and various places of everyday life – always have a TLIG-Info-card with contact details of your region in your pocket to be handed out.

2.1.2. Street evangelization – as a weekly gesture of love for Jesus (or maybe have a table at a weekly grocery market, flea market, or at similar events, to hand out leaflets)

2.1.3. Organized witnessing meetings for public attendance

- post lockdowns, it is time to intensify witnessing again on a regular basis in venues and public places.

- In a recent call with Vassula, she very much stressed this urgency. We know when she *speaks about TLIG, it is because she feels the urgency coming from Jesus directly. This online meeting was scheduled prior to Vassula's comments, but her comments confirmed that this meeting was a desire of Jesus – so we are glad to share this with you all.*

Public venues:

- each soul counts, so its ok if only for 2 or 3 people show up, or 10, 15, 20. If a 100 show up, all the better, if the venue is too small better even, but it is important to intensify public witnessing events again.

(Greek group example: they are meeting every 3 months to schedule witnessing meetings to implement them in various cities and towns all over Greece.

- and **follow up** with people in attendance.

- take down their contact details to reconnect with them to invite them for a coffee and later maybe for or a prayer meeting to gradually become part of the TLIG vibe and enrich the group)

*REMINDING PEOPLE THAT ONLY by READING AND MEDIDATING ON THE TLIG
MESSAGES IT WILL BRING US TO TRUE CONVERSION AS
TLIG IS A CONTMPLATIVE SPIRITUALITY!*

I bless each one of you, and I thank you for giving Me your time...”;**

TLIG, October 10, 1990

I am sending you My angels to remind you of My Holiness, My Magnificence and My Splendour; I am sending you My mouthpieces to shout and proclaim on the rooftops of your houses the Wedding of My Holy Spirit; I will not grow weary of calling you to wed Me; I will not get discouraged by your hostility nor by your aridity;

... – do not be one of these who say to My seers: “see no visions” and to My prophets: “do not prophesy”; let My Imperial Court prepare for Me My Way; no prophecy ever came from man’s initiative; when My seers and prophets speak for Me, it is by Grace that they do and by My Holy Spirit that fills them, moves them and opens their mouth to repeat My Words; and I shall continue recalling you the Truth, by my mouthpieces, even if you know the Truth; I shall keep revealing My plans to My servants the prophets and show My Magnificence in visions to My seers; leave My elect and My predilected souls free to prepare the Way for Me your King; let them complete their witnessing;

I am sending you My Celestial Court to prophesy for these end of Times in the wilderness of your era, to convert you before My Great Day comes; realise that I do not descend only for Mercy but also for Judgement; I do not tell My messengers to call only the just, I tell them to call also the unjust, the poor, the lame, the rejects of your society, and everyone they meet in the streets, to come and fill up My school; I want to call all those who never sought Me nor ever knew Me, to come and prosper in My House, for these are the Times of Mercy and of Grace; *TLIG, October 10, 1990*
