

True Life In God Australia

The Second Ecumenical Retreat - Sydney 2013

Friday 25th to Monday 28th of January

We invite you to take part in our second True Life in God Ecumenical Retreat in Sydney. We will come together for prayer & liturgy celebrated by visiting Catholic & Orthodox priests. It will be a bonding experience as we enjoy the diversity of Christian denominations & the beautiful sights of Sydney. We will be visiting The Mary Mackillop Memorial Chapel as well as experiencing mass in an Orthodox Church. During this retreat we will strengthen our common desire to promote God's Message of Peace, Love & Unity. This is an excellent opportunity to share our experiences & be renewed by the Holy Spirit.

“may the Strength you receive from Me open your mouth and proclaim My marvels, may every race in the world hear My Message; I shall sow everywhere and in each country, I shall cultivate your deserts and the sound of My Footsteps will be heard by all the inhabitants of the earth, to the far ends of the world;” TLiG - July 27, 1992

Not everyone in Australia has been able to participate in the international pilgrimages. For this coming Sydney retreat make a special effort to participate & feel the joy of unity as we come together.
